

22. Had those that dwell

Poem by Ben Jonson

Alfonso Ferrabosco II

Had those that dwell in er-
ror

5
foul, And hold that wo-
men have no soul,

10
But seen those move, they would have then Said

15
wo- men were the souls of men; So they do

20
move each heart and eye With the world's

25
soul, their har-
mo- ny.
