## Order for the burial of the dead

Spare them, Lord,  
and protect them  
and your image in them  
and we pray forgiveness for others  
by the glory of your name.  
Do not despise the works of your hand,  
but reach out to them your right hand  
and liberate them from distresses  
and the punishments of Hell  
and bring them to the companionship  
of the celestial citizens  
in your sacred name.
